Clever reinvention hits the Rust Belt.

TAPPED IN: Brewpubs' Shelby Fastello and John Pippin baked up a new way to ride the artisanal-doughnut wave—by serving in Ohio-made craft brews. There's a lager-glazed goodie for the puritan, a rich stout cake doughnut for chocolatehounds, and just for fun, a champagne beer beauty studded with sugar 'bubbles,' left, that's almost too pretty to eat. brewnicle.com

MARKET WATCH: Some things get better with age. Take the iconic West Side Market—a public hot spot for pantry staples and an oasis for flavor-hunting foodies. More than 100 years old, it's a pioneer for the open market concept, and just as hip as the new kids. westsidemarket.org

ARTFUL LIFE: The Transformer Station fine art gallery is about more than just what's hanging on the walls. Visitors can take in off-the-beaten-path, experiential "showings" by the likes of chefs (a raw-food dinner) and yoga class. transformerstation.org

HELLO, CLEVELAND! With a rich comic heritage (Drew Carey, Molly Shannon, Drew Carey) and a growing indie comedy scene, this city with a sense of humor is breaking new entrepreneurial ground, too. Comedians at the Laugh Staff will help you craft LOL-worthy speeches for business events or weddings. laughstaff.com
